STEEL AGAINST POLYSTEEL
Here's the Custom Power Cushion Polysteel tire you've seen on TV, matched against dozens of vicious hardened-steel drill bits and the Goodyear Polysteel tire won!

POLYSTEEL
CUSTOM POWER CUSHION TIRE

Goodyear builds it with two belts of steel cord for long-lasting resistance to impact and penetration. (You wouldn't run over steel drill bits the way we did here – but the demonstration illustrates how tough the steel belts really are.)

Then Goodyear makes the long mileage easy to take, with a flexible polyester cord body to seal up the shocks.
